Carmel, NY 10512  
(Directions attached)

**TIME:** 10:00 a.m. – 12 noon

These meetings are open to the public and anyone requiring further information should contact Gail Maisel, Administrator, Early Intervention and Preschool Programs, at 845-808-1640, Ext. 46036.

**The mission of the LEICC is to advise the local Early Intervention Official regarding the following:**

- Planning, delivery and assessment of services for eligible children and their families, including the transition from Early Intervention services to Preschool Services
- Identification of service delivery reforms needed to promote the availability of Early Intervention services within natural environments
- Coordination of public and private agencies
- Such other matters relating to Early Intervention policies and procedures within the municipality as are brought to its attention by parents, providers, public agencies or others.
- The Council reports annually to the Early Intervention Official on the adequacy of the Early Intervention system to ensure the availability of family-centered, coordinated services; and interface with other existing planning bodies that serve like populations.
