## Independent Auditors' Report

**The Board of Directors of the Putnam County  
Tobacco Asset Securitization Corporation**

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of the Putnam County Tobacco Asset Securitization Corporation ("PTASC"), a blended component unit of the County of Putnam, New York, as of and for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the PTASC, as of December 31, 2025, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the PTASC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the PTASC's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the PTASC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the PTASC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the financial statements. Such information is the responsibility of management and, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

## **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 9, 2026 on our consideration of the PTASC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the PTASC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the PTASC's internal control over financial reporting and compliance.

## Putnam County Tobacco Asset Securitization Corporation

(A Blended Component Unit of the County of Putnam, New York)  
Management's Discussion and Analysis  
December 31, 2025

---

### Introduction

As management of the Putnam County Tobacco Asset Securitization Corporation ("PTASC"), we offer readers of the PTASC's financial statements this narrative overview and analysis of the financial activities of the PTASC for the fiscal year ended December 31, 2025. It should be read in conjunction with the financial statements, which immediately follow this section, to enhance understanding of the PTASC's financial performance.

### Financial Highlights

- ❖ On the statement of net position, the liabilities of the PTASC exceeded its assets and deferred outflows of resources at the close of the most recent fiscal year, resulting in a deficit of \$17,584,171. The deficit was increased by \$423,759, due to the excess of operating expenses of \$65,242 and non-operating net interest expense of \$1,142,311 over the amount recognized for Tobacco Settlement Revenues ("TSR's") of \$783,794.
- ❖ The Governmental Accounting Standards Board ("GASB") issued Technical Bulletin 2004-1, "*Tobacco Settlement Recognition and Financial Reporting Entity Issues*", as amended and/or superseded by GASB Statement No. 48, "*Sales and Pledges of Receivables and Future Revenues and Intra-Entity Transfers of Assets and Future Revenues*", which clarified certain asset and revenue recognition criteria. Prior to the issuance of this guidance, the PTASC had recognized as a receivable/revenue the present value of the future tobacco revenue stream. The new guidance required a reversal of this position, in that it promulgated that TSR's and the related asset only be recognized when the event giving rise to recognition (i.e. the shipment of cigarettes) occurs. Because annual TSR payments are based on cigarette sales from the preceding calendar year, the PTASC was prohibited from recognizing this future revenue stream as a receivable. Accordingly, the only revenue recognition allowed was for TSR payments to be received in the immediately succeeding fiscal year, as these payments were based on cigarette shipments in the year under audit. This had the effect of deferring revenue recognition, which results in the deficit position reflected on the statement of net position. Over time, as TSR payments are received and the bonded indebtedness is retired, the deficit will be reduced.

### Financial Statements

The *statement of net position* presents information on the PTASC's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference reported as *net position*. The *statement of revenues, expenses and changes in net position* presents information showing how the PTASC's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (for example, accounts receivable and accrued interest payable).

The notes to financial statements provide additional information that is essential to a full understanding of the data provided in the statement of net position and the statement of revenues, expenses and changes in net position. The notes to financial statements are located beginning on page 10 of this report.

## Financial Analysis

### Condensed Statements of Net Position

	December 31,		Total Dollar Change
	2025	2024	
Current Assets	\$ 1,137,093	\$ 1,192,585	\$ (55,492)
Noncurrent Assets	1,212,934	1,213,600	(666)
<b>Total Assets</b>	<b>2,350,027</b>	<b>2,406,185</b>	<b>(56,158)</b>
Deferred Outflows of Resources	330,401	421,058	(90,657)
Current Liabilities	461,417	461,938	(521)
Noncurrent Liabilities	19,803,182	19,525,717	277,465
<b>Total Liabilities</b>	<b>20,264,599</b>	<b>19,987,655</b>	<b>276,944</b>
<b>Net Position</b>	<b>\$ (17,584,171)</b>	<b>\$ (17,160,412)</b>	<b>\$ (423,759)</b>

Current assets decreased by \$55,492 from the prior year primarily due to lower tobacco settlement revenue. The deferred outflows of resources decreased by \$90,657 due to the amortization of the loss on refunding bonds.

Noncurrent liabilities increased by \$277,465. The PTASC made principal payments of \$100,000 on its turbo term bonds. This reduction in noncurrent liabilities was offset by an increase in bonds payable from the amortization of the original issue discount of \$25,564 and accreted interest of \$351,901 on its Series 2005 Capital Appreciation Bonds.

### Condensed Statements of Activities

	Year Ended December 31,		Total Dollar Change
	2025	2024	
Operating Revenues	\$ 783,794	\$ 907,256	\$ (123,462)
Operating Expenses	65,242	62,991	2,251
<b>Income from Operations</b>	<b>718,552</b>	<b>844,265</b>	<b>(125,713)</b>
<b>Total Non-Operating Expenses, Net</b>	<b>(1,142,311)</b>	<b>(1,114,987)</b>	<b>(27,324)</b>
<b>Change in Net Position</b>	<b>(423,759)</b>	<b>(270,722)</b>	<b>(153,037)</b>
<b>Net Position - Beginning</b>	<b>(17,160,412)</b>	<b>(16,889,690)</b>	<b>(270,722)</b>
<b>Net Position - Ending</b>	<b>\$ (17,584,171)</b>	<b>\$ (17,160,412)</b>	<b>\$ (423,759)</b>

Net position decreased by \$423,759 in 2025, compared with a decrease of \$270,722 in 2024, a difference of \$153,037. This was mainly due to a decrease in tobacco settlement revenues of \$123,462 and a decrease in interest income of \$18,051, coupled with an increase in interest expense of \$9,273 and an increase in other operating expenses of \$2,251.

### **Debt Administration**

At the end of the current fiscal year, the PTASC had total gross bonded debt outstanding of \$20,920,424. PTASC was able to make a principal payment of \$100,000, and to date has made principal payments of \$4,515,000.

Additional information on the PTASC's long-term debt can be found in Note 3 in the notes to financial statements.

### **Economic Factors**

The bonds are payable only from the assets of the PTASC. PTASC's only source of funds for payments on the bonds is the collections of TSR's and amounts on deposit in pledged accounts (i.e. liquidity and debt service reserve accounts) pursuant to the indenture. If a participating manufacturer becomes a debtor in a bankruptcy case and defaults in making payments or cigarette consumption declines, funds available to PTASC to pay bondholders may be reduced or eliminated.

### **Requests for Information**

This financial report is designed to provide a general overview of the PTASC's finances for all those with an interest in those finances. Questions and comments concerning any of the information provided in this report should be addressed to Mr. William Carlin, Treasurer, Putnam County, Carmel, New York 10512.

**Note 1 - Nature of Business and Summary of Significant Accounting Policies**

**Nature of Business**

The Putnam County Tobacco Asset Securitization Corporation ("PTASC") is a special purpose, bankruptcy-remote local development corporation. PTASC was organized under the provisions of Section 1411 of the New York State Not-For-Profit Corporation Law and pursuant to the Public Authorities Law of the State of New York. The Board of Directors of PTASC consists of five members; the County of Putnam, New York's ("County") County Executive, the County's Commissioner of Finance, the Chairman of the County's Board of Legislators, the Chairman of the Audit and Administration Committee of the County's Board of Legislators and a fifth director who meets certain requirements of independence and shall be designated by the other four members.

An agreement among the attorneys general of 46 states and various territories ("Settling States") and the four largest United States tobacco manufacturers was entered into on November 23, 1998. The agreement, known as the Master Settlement Agreement ("MSA"), resolved cigarette smoking-related litigation between the Settling States and U.S. Tobacco manufacturers. Pursuant to the MSA, the Settling States and the participating manufacturers agreed to settle all past, present and future smoking related claims in exchange for an agreement by the participating manufacturers to make certain payments. Under the MSA, the State of New York is entitled to receive approximately 12.76% of the initial and annual payments. The New York Consent Decree, which was entered into in the Supreme Court of the State of New York for the County of New York in December 1998, allocated 0.152% of this State-wide share of the initial and annual payments to the County and the remainder among the State, the City of New York and all other counties within the State.

During 2001, the County sold all of its future rights, title and interest to receive payments under the MSA and the Consent Decree to PTASC, which issued \$15,280,000 in Tobacco Settlement Asset-Backed Bonds, Series 2000 ("Series 2000"). During 2005, PTASC issued \$20,565,798 of Tobacco Settlement Asset-Backed Bonds, Series 2005 A, B and C Term Bonds and Series 2005 D and E Capital Appreciation Bonds (collectively "Series 2005"), the proceeds of which were used to 1) refund the outstanding Series 2000 bonds, 2) fund the Liquidity Reserve Account at its required level, 3) pay certain costs of issuance related to the Series 2005 bonds and 4) provide the County with funds for working capital purposes. During 2010, PTASC issued \$3,400,000 of Tobacco Settlement Asset-Backed Bonds, Series 2010A Term Bonds, the proceeds of which were used to refund the outstanding Series 2005C Term Bonds of an equal amount. The remaining Series 2005 and 2010A bonds are payable from and secured solely from pledged Tobacco Settlement Revenues ("TSR's"). The County, as owner of the beneficial interest in the Residual Trust which holds the Residual Certificate, will not be entitled to receive payments on such certificate while PTASC bonds remain outstanding. The debt issued by PTASC to securitize these revenues is not considered debt of the County and is secured only by future tobacco settlement payments.

**Entity Definition**

The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Based on the guidance provided by GASB Statement No. 48, "*Sales and Pledges of Receivables and Future Revenues and Intra-Entity Transfers of Assets and Future Revenues*", as amended, the PTASC is reported as a blended component unit of the County in its financial statements.

**Putnam County Tobacco Asset Securitization Corporation**  
(A Blended Component Unit of the County of Putnam, New York)

Notes to Financial Statements (Continued)  
December 31, 2025

---

**Note 1 - Nature of Business and Summary of Significant Accounting Policies (Continued)**

**Basis of Presentation**

A fund is an independent fiscal and accounting entity with a self-balancing set of accounts which comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, net position, revenues and expenses. The accounts of the PTASC are maintained on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

The accompanying financial statements present only the activities of the PTASC and do not purport to, and do not, present fairly the financial position of the County as of December 31, 2025 and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Cash and Equivalents and Risk Disclosure**

**Cash and Equivalents** - Cash and equivalents consist of funds deposited in demand deposit accounts, time deposit accounts and short-term investments with original maturities of less than three months from the date of acquisition.

**Risk Disclosure**

**Interest Rate Risk** - Interest rate risk is the risk that the government will incur losses in fair value caused by changing interest rates. The PTASC does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from changing interest rates. Generally, the PTASC does not invest in any long-term investment obligations.

**Custodial Credit Risk** - Custodial credit risk is the risk that in the event of a bank failure, the PTASC's deposits may not be returned to it. GASB Statement No. 40, "*Deposit and Investment Risk Disclosures – an amendment of GASB Statement No. 3*", directs that deposits be disclosed as exposed to custodial credit risk if they are not covered by depository insurance and the deposits are either uncollateralized, collateralized by securities held by the pledging financial institution or collateralized by securities held by the pledging financial institution's trust department but not in the PTASC's name. The PTASC's aggregate bank balances that were not covered by depository insurance were not exposed to custodial credit risk at December 31, 2025.

**Credit Risk** - Credit risk is the risk that an issuer or other counterparty will not fulfill its specific obligation even without the entity's complete failure. The PTASC does not have a formal credit risk policy other than restrictions to obligations allowable under General Municipal Law of the State of New York.

**Concentration of Credit Risk** - Concentration of credit risk is the risk attributed to the magnitude of a government's investments in a single issuer. The PTASC's investment policy limits the amount on deposit at each of its banking institutions.

At December 31, 2025, the PTASC did not have any investments subject to credit risk, interest-rate risk or concentration of credit risk.

**Putnam County Tobacco Asset Securitization Corporation**  
(A Blended Component Unit of the County of Putnam, New York)

Notes to Financial Statements (Continued)  
December 31, 2025

---

**Note 1 - Nature of Business and Summary of Significant Accounting Policies (Continued)**

**Restricted Cash and Equivalents**

The terms of the bond indenture provide for the establishment of a liquidity reserve. The reserve has been established at the maximum annual debt service requirements in the current and any future fiscal year, assuming principal is paid in accordance with the requirements of the indenture.

The terms of the bond indenture also provide for the establishment of a trapping account. Following the occurrence of a trapping event, amounts that otherwise would have been paid on the residual certificate to the County will be deposited in the trapping account and will be restricted to pay interest, required planned structured principal payments and turbo redemption payments, in such order, to the extent collections or other available amounts are insufficient for such purposes.

**Deferred Outflows/Inflows of Resources**

In addition to assets, the statement of financial position includes a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net assets that applies to a future period and so will not be recognized as an outflow of resources (expense) until then.

In addition to liabilities, the statement of financial position includes a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net assets that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

The PTASC has reported deferred outflows of resources of \$330,401 for a deferred loss on refunding bonds in the Statement of Net Position. This amount results from the difference in the carrying value of the refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

**Tax Status**

The PTASC is exempt from federal income tax under Section 501 (a) of the Internal Revenue Code as a 501(c)(3) organization.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Subsequent Events Evaluation by Management**

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is March 9, 2026.

**Putnam County Tobacco Asset Securitization Corporation**  
(A Blended Component Unit of the County of Putnam, New York)

Notes to Financial Statements (Continued)  
December 31, 2025

---

**Note 2 - New Accounting Pronouncement**

GASB Statement No. 102, “*Certain Risk Disclosures*”, provides guidance on disclosures for risks related to a government’s vulnerabilities to certain concentrations or constraints. A concentration is defined as a lack of diversity related to an aspect of a significant inflow of resources or outflow of resources. A constraint is a limitation imposed on a government by an external party or by formal action of the government’s highest level of decision-making authority. Concentrations and constraints may limit a government’s ability to acquire resources or control spending. Under this Statement, a government is required to assess whether an event or events associated with a concentration or constraint that could cause substantial impact have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued. The requirements of GASB Statement No. 102 are effective for the PTASC’s fiscal year ended December 31, 2025. Management has determined that no events have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued, except as follows:

*Risks and Uncertainties Related to Tobacco Settlement Revenues*

**Concentration of Revenue Source** - The PTASC’s primary source of revenue is TSRs received under the MSA. For the year ended December 31, 2025, substantially all revenues were derived from TSRs. As a result, the PTASC is highly dependent on this single revenue source to meet its operating costs and debt service obligations.

**Economic and Industry Risks** - Payments under the MSA are dependent on numerous factors that are largely outside the PTASC’s control, including, but not limited to:

- Domestic cigarette consumption trends;
- The financial condition and continued participation of the participating tobacco manufacturers;
- Pricing, market share shifts, and consumer behavior related to tobacco products;
- Declines in cigarette consumption or changes in the tobacco industry may result in reduced TSRs in future periods.

**Legal and Regulatory Risks** - TSRs are subject to adjustments under the MSA, including adjustments related to litigation outcomes, enforcement of state tobacco statutes, and other regulatory or legal developments. Although certain disputes have been resolved at the state level, future legal or regulatory actions could materially affect the amount or timing of TSRs received.

**Debt Service Dependency** - The PTASC’s bonds are payable solely from pledged TSRs and related accounts established under the governing indenture. The PTASC has no other significant assets or revenue sources available for debt service obligations. Accordingly, any material reduction in TSRs could adversely affect the PTASC’s ability to meet current or future debt service requirements.

**Estimation Uncertainty** - The PTASC cannot reliably predict the timing or amount of future TSRs, which may result in significant variability in annual revenues and changes in net position.

**Putnam County Tobacco Asset Securitization Corporation**  
(A Blended Component Unit of the County of Putnam, New York)

Notes to Financial Statements (Continued)  
December 31, 2025

---

**Note 3 - Bonds Payable**

PTASC issued bonds on August 25, 2005 and June 1, 2010 as follows:

\$3,400,000 - Turbo Term Bonds due June 1, 2041 with interest at 6.25% and a projected final Turbo Redemption date of June 1, 2026.\* Balance due at December 31, 2025 is \$1,800,000.

\$9,165,000 - Turbo Term Bonds due June 1, 2042 with interest at 5.0% and a projected final Turbo Redemption date of June 1, 2026.\* Balance due at December 31, 2025 is \$9,165,000.

\$3,325,000 - Turbo Term Bonds due June 1, 2045 with interest at 5.0% and a projected final Turbo Redemption date of June 1, 2026.\* Balance due at December 31, 2025 is \$3,325,000.

\$2,983,473 (net of unaccreted amounts of \$127,522) - Turbo Capital Appreciation Bonds due June 1, 2050 with a yield of 5.875% and a projected final Turbo Redemption date of June 1, 2027.\*

\$3,022,886 (net of unaccreted amounts of \$496,543) - Turbo Capital Appreciation Bonds due June 1, 2055 with a yield of 6.375% and a projected final Turbo Redemption date of June 1, 2029.\*

\*Assumes Turbo Redemption payments are made based on the receipt of surplus pledged TSR's in accordance with the Global Insight Base Case Forecast of future tobacco consumption.

A payment schedule, based upon planned turbo redemption maturities, is as follows:

Year Ending December 31,	Principal*	Interest	Total
2026	\$ 16,420,233	* \$ 368,500	\$ 16,788,733
2027	1,789,063	-	1,789,063
2028	1,812,299	-	1,812,299
2029	898,828	-	898,828
2030	-	-	-
2031 and thereafter	-	-	-
	20,920,423	<u>\$ 368,500</u>	<u>\$ 21,288,923</u>
Unamortized Original Issue Discount on Term Bonds	(93,177)		
Unaccreted Amounts on Capital Appreciation Bonds	<u>(624,064)</u>		
	<u>\$ 20,203,182</u>		

\*Principal payment assumes "catch up" payment is made June 1, 2026.

---

**Note 3 - Bonds Payable (Continued)**

The required plan structured principal payments are as follows:

<u>Year Ending December 31,</u>	<u>Amount</u>
2026	\$ 400,000
2027	400,000
2028	400,000
2029	500,000
2030	500,000
2031 and thereafter	<u>18,720,423</u>
	<u><u>\$ 20,920,423</u></u>

**Note 4 - Significant Contingencies**

*Repayment of Outstanding Debt*

The enforceability of the rights and remedies of the State (and thus the bondholders) and of the obligations of a participating manufacturer under the MSA are subject to the Bankruptcy Code and the other applicable insolvency, moratorium or similar laws relating to or affecting the enforcement of creditors' rights. Some of the risks include risks of delay in or reduction of amounts of payment or of non-payment under the MSA and the risk that the State (and thus the County and/or PTASC) may be stayed for an extended time from enforcing any rights under the MSA and the Consent Decree or with respect to the payments owed by the bankrupt participating manufacturer or from commencing legal proceedings against the bankrupt participating manufacturer. As a result, if a participating manufacturer becomes a debtor in a bankruptcy case and defaults in making payment, funds available to PTASC to pay bondholders may be reduced or eliminated.

The bonds are payable only from the assets of PTASC. The bonds are neither legal nor moral obligations of the County or the State of New York, and no recourse may be had thereto for payment of amounts owing on the bonds. PTASC's only source of funds for payments on the bonds is the collections and amounts on deposit in pledged accounts pursuant to the indenture. PTASC has no taxing power and no significant assets other than the rights to receive tobacco settlement revenues.

**Report on Internal Control Over Financial Reporting and on Compliance and  
Other Matters Based on an Audit of Financial Statements Performed in Accordance  
With Government Auditing Standards**

**Independent Auditors' Report**

**The Board of Directors of the Putnam County  
Tobacco Asset Securitization Corporation**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Putnam County Tobacco Asset Securitization Corporation ("PTASC") as of and for the year ended December 31, 2025, and the related notes to the financial statements and have issued our report thereon dated March 9, 2026.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the PTASC's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the PTASC's internal control. Accordingly, we do not express an opinion on the effectiveness of the PTASC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the PTASC's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the PTASC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the PTASC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the PTASC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
